SEEING POSSIBILITIES IN POTATOES

A cut above the ordinary.

Specialty Cuts

Twist and shout! These fun and popular specialty french fry cuts are a hit with customers. Versatile all-star performers capture more space than regular fries, filling the same size serving container with less weight. That means more profit for you.

- Impressive variety of cuts, styles and flavours
- Increased yield translates to a greater number of servings per pound for more profit
- Operators with a 2-fry menu reporting fry sales growth up to 20%[†]
- Novel shapes are ideal second fry selections
